

Technology Requirements: Delivery Methods in Fall 2020 – Spring 2021

Histotechnology:	Blended delivery
Medical Laboratory Science:	Blended delivery with Examssoft Testing
Nuclear Medicine Tech.:	100% Face-to-Face delivery
Occupational Therapy Asst.:	100% Face-to-Face delivery
Radiography:	100% Face-to-Face delivery
Sleep Technology:	Blended delivery
Surgical Technology:	100% Face-to Face delivery

BHCLR nursing programs traditionally meet face-to-face. Due to the size of the groups, the nursing programs will temporarily move to online instruction for theory due to COVID-19. As allowed by current state guidelines, clinical experiences will be face-to-face and essential skills lab experiences and select testing will be face-to-face with necessary precautions and guidelines.

Nursing Traditional:	Blended delivery with Examssoft Testing
Nursing Accelerated:	Blended delivery with Examssoft Testing
Practical Nursing:	Blended delivery with Examssoft Testing

Technology Requirements: Enrolled Students - All

All BHCLR programs of study require frequent utilization of technology. Students must have access to a personal computer (or laptop if program listed below), stable internet connection and printer. A high-speed internet connection is recommended. Students will need access to software programs such as Microsoft Word, Power Point and Excel. Students may contact the BHCLR IT department, 501-410-7819, or visit <https://www.bhclr.edu/student-services/resources/it-services/> for more information on free online software alternatives.

Minimum System Requirements for Windows:

1. A Laptop with Microsoft Windows 10 operating system
2. Memory: 4 GB RAM
3. Hard Drive Capacity: 200 GB
4. Webcam with Microphone
5. Battery life: 2 hours
6. Internet browser: Current Version of Google Chrome, Internet Explorer or Firefox.
7. Additional software and hardware may be necessary to meet specific course needs

Minimum System Requirements for Mac OS X

A Laptop with OS X 10.13 (High Sierra), OS X 10.14 (Mojave), macOS Catalina (10.15)

1. Memory: 4 GB RAM
2. Hard Drive Capacity: 200 GB
3. Webcam with Microphone
4. Battery life: 2 hours
5. Internet browser: Current Version of Google Chrome, Internet Explorer or Firefox.
6. Additional software and hardware may be necessary to meet specific course needs

iPad: Minimum System Requirements (*iPads cannot be used for Examssoft Testing*)

1. Hardware Requirements = iPad 5+, iPad Air, iPad Mini 2+, iPad Pro

2. Operating System = iOS 11, iOS 12, and iPadOS 13
3. 500 MB of free space required to commence an exam
4. Battery life: 2 hours
5. iPad must not be Jailbroken

Technology Requirements: Enrolled Students with Examsoft Testing:

Examsoft online testing is administered both online and in the classroom. Students are required to supply their own laptop for testing with a minimum battery life of two hours. Students in the Nursing, Practical Nursing, or Medical Laboratory Science Programs will be utilizing Examsoft Testing software and must have a laptop that meets the requirements above for testing purposes. Chromebooks and iPads will not work with the Examsoft testing program.
