**Technology Requirements: Enrolled Students - All**

All BHCLR programs of study require frequent utilization of technology. Students must have access to a personal computer (or laptop if the program is utilizing Examsoft testing), stable internet connection and printer. A high-speed internet connection is recommended. Students will need access to software programs such as Microsoft Word, PowerPoint and Excel. Students may contact the BHCLR IT department, 501-410-7819, or visit <https://www.bhclr.edu/student-services/resources/it-services/> for more information on free online software alternatives.

**Minimum System Requirements for Windows:**

1. A Laptop with Microsoft Windows 10 operating system
2. Memory: 4 GB RAM
3. Hard Drive Capacity: 200 GB
4. Webcam with Microphone
5. Battery life: 4 hours
6. Internet browser: Current Version of Google Chrome, Internet Explorer or Firefox.
7. Additional software and hardware may be necessary to meet specific course needs

**Minimum System Requirements for Mac OS X**

1. A Laptop with OS X 10.13 (High Sierra), OS X 10.14 (Mojave), macOS Catalina (10.15), MacOS 11 Big Sur, Apple M1
2. Memory: 4 GB RAM
3. Hard Drive Capacity: 200 GB
4. Webcam with Microphone
5. Battery life: 4 hours
6. Internet browser: Current Version of Google Chrome, Internet Explorer or Firefox.
7. Additional software and hardware may be necessary to meet specific course needs

**Technology Requirements: Enrolled Students with Examsoft Testing:**

Examsoft online testing is administered both online and in the classroom. Students are required to supply their own laptop for testing with a minimum battery life of four hours. Students utilizing Examsoft Testing software must have a laptop that meets the requirements above for testing purposes. Chromebooks and iPads will not work with the Examsoft testing program.
