

MEMORANDUM

TO: Radiography Applicant
FROM: Baptist Health College Little Rock -School of Radiography
DATE: Fall 2022 – Spring 2023
SUBJECT: Required Observation Experience

The Baptist Health College Little Rock-School of Radiography requires an observation experience for all program applicants. This experience must be for **six (6) hours** and may be completed in any Diagnostic Radiology department under the supervision of a registered radiographer (RT(R)). It is the responsibility of the applicant to make arrangements with an RT for this experience. The applicant is also responsible for obtaining the Observation Form from the BHCLR website and giving it to the supervising radiographer. This requirement must be met and all forms returned by the preferred file completion deadline of March 1st. Students not completing their observation experience prior to Final File Completion deadline of March 15th, will NOT be considered for an interview.

Guidelines for observation experience are as follows:

1. Observer must have completed the online application process for the School of Radiography found on the BHCLR website, **prior** to setting up observation hours.
2. Observer must contact Kirsten Langston, BS, RT(R) at BHMC-NLR, to set up observation hours and required training, if scheduling for BHMC-NLR. She can be reached at Kirsten.langston@baptist-health.org or **501.202.3453**.

-to expedite the process, observers must provide proof of a **current flu vaccination**.

-Observers must review the “**Observation Packet**” emailed to them prior to observation hours. This packet includes the following:

-Who We Are	-Dress Code	-Smoking
-Cell Phones	-HIPAA	-Confidentiality
-Infection Control Guidelines	-Emergency Codes	-Disaster Preparations
-Observation Dismissal	-Things to Remember	

-Observation Application

-Observation Quiz

-Observation HIPAA Confidentiality Agreement

-Once completed, the observer will return the forms to Volunteer Services Manager/Baptist Health Medical Center of Choice be escorted to Human Resources to get an “Observer ID Badge”.

3. The observer gives the RT (R) the evaluation form the first day of the observation experience. Please be sure to sign the top of the form prior to providing it to the RT(R).
4. Once the observation experience is completed, the RT(R) completes the evaluation form and places it in the Student Evaluation Box where the Clinical Coordinator will retrieve it.
5. The evaluation form **MUST** be received prior to the Final File Completion date of March 15.
6. Observation hours must be dated within one year of applying for the program. For example, if observation hours were completed in January 2018 and the application is submitted in February 2019, the hours will not be accepted. An additional six (6) hours will need to be completed. Applicants are not allowed to use current or previous work site as observation hours, nor can an applicant observe under an RT(R) who is a family member or friend.
